European Hand Crafting performed by Artisans in Europe. Species is European White Oak. European White Oak is from fully mature trees of sustainable and thoughtfully governed and managed forestry. Substrate and finishing are all fabricated in Europe to strict age old high Legno Bastone specification. Custom fabrication done by Legno Bastone in family owned European factories, by the hands of European craftsmen. Using only experienced and fully trained artisans to create tongue and groove as well as finish application.

Maintenance: Please refer to our Residential Care Instructions
